Prof. Vranić died on June 18, 2019 in Toronto. He joined the Croatian Medical Journal in 1995 as a member of the Advisory Board. In a -retrospective on his 50-year long career, Dr. Vranić quoted Robert Frost's The Road Not Taken: "A scientist is always facing choices ... focusing on specific areas of research, selecting students, fellows, and collaborators." May he rest in peace.
