

## CROATIAN MEDICAL JOURNAL – AFFIRMATION OF AUTHORSHIP

Manuscript title::	Manuscript No.:
--------------------	-----------------

The *CMJ* follows International Committee of Medical Journal Editors (ICMJE) Recommendations for the conduct, reporting, editing, and publication of scholarly work in medical journals, including its authorship requirements (available at <http://www.icmje.org/recommendations/browse/roles-and-responsibilities/>). The signature will evidence the mutual understanding between the *CMJ* and the undersigned author(s) on the rights and responsibilities of both parties in the process of the manuscript evaluation in the *CMJ*.

The undersigned authors warrant that they are the authors and sole owners of the submitted manuscript. The authors also warrant that the work is original, not previously published in print or electronic form and not under consideration by any other publisher or electronic medium; that it has not been previously transferred, assigned, or otherwise encumbered; and that the authors have full power to grant such rights. With respect to the results of this work, the manuscript of this or substantially similar content will not be submitted to any other journal until the review process in the *CMJ* has been officially completed (acceptance or rejection of the manuscript). The authors will comply with the requests of the *CMJ* editors and reviewers to improve the manuscript for publication. The authors hereby grant to the *CMJ* the right to edit, revise, abridge, and condense the manuscript.

## CROATIAN MEDICAL JOURNAL – COPYRIGHT TRANSFER FORM

The authors hereby authorize the Croatian Medical Journal (CMJ) to publish their work.

The authors are aware that although CMJ is a Diamond Open Access journal, the copyright of all material published is vested in CMJ. Open access articles are freely available to read, download, and share from the time of publication under the terms of the Creative Commons License Attribution - NonCommercial No Derivative (CC BY-NC-ND) license. This license does not permit reuse for any commercial purposes nor does it cover the reuse or modification of individual elements of the work (such as figures, tables, etc.) in the creation of derivative works without specific permission of CMJ and appropriate acknowledgement of its source. The authors permit CMJ to allow third parties to copy any part of the work without asking for permission, provided that the reference to the source is given and that this is not done for commercial purposes. Except for copyright, other proprietary rights related to the work (e.g., patent or other rights to any process or procedure) shall be retained by the author. To reproduce any text, figures, tables, or illustrations from this work in future works of their own, the author must obtain a written permission from CMJ.

Each of the author(s) hereby also grants permission to CMJ to use such author's name and likeness in connection with any past, present or future promotional activity by CMJ, including, but not limited to, promotions for upcoming issues or publications, circulation solicitations, advertising or other publications in connection with CMJ. Also, each of the author(s) hereby grants permission to CMJ to use the manuscript in editorial research related to improvement of editorial conduct, decision making, and issues related to peer review.

Each of the author(s) hereby releases and shall indemnify and hold harmless CMJ and its successors, assigns, licensees, officers, directors, employees, and their respective heirs and representatives from and against any and all liabilities, losses, damages and expenses arising out of any claims of any kind that may be asserted against any of them based in whole or in part on any breach of the author(s)' representations or warranties herein or in the work or anything contained in the work, including but not limited to any claims for copyright infringement or violation of any rights of privacy or publicity.
