Priorities for Medium-Term Development in the Health Sector of Bosnia and Herzegovina

Olusoji Adeyi

The World Bank, Resident Mission Hungary, Budapest, Hungary

In the medium term, the World Bank will work with the Government of Bosnia and Herzegovina, non-government organizations, and international development agencies to complete the reconstruction work already begun. There will be an increased emphasis on developing sustainable health finance regime and establishing a basic health system.

Key words: assessment of health care needs; Bosnia and Herzegovina; health care reforms; health transition; insurance, health; medically underserved areas; priorities, health
