HUMPHREY COMMITMENT

Hubert H. Humphrey Program has a noble mission,
to support prosperity and world democratic transition,
Humphrey family now counts more than 2000 alumni,
they are spread worldwide like bright stars on the sky,
We have been chosen as unique and exceptional,
we have been prepared to become universal,
We have leadership spirit and strong self-confidence,
against assailants we are empowered for self-defense,
We are committed to keep the Humphrey spirit alive,
all disasters and battles in the life to survive,
We are committed to increase our responsibility,
topflight experts enhanced our professional ability,
We are committed in better future to have faith,
in our beginnings and capacity to be great,
We are committed to cultivate unplough fields,
by use of our creativity, knowledge and skills,
We are committed to look many years ahead,
to improve quality of the human life on our planet,
We are committed for social justice to have a sense,
each one of us is obliged to make a difference,
We are committed to work for improving the public health,
for protecting the environment as a natural wealth,
We are committed to make the right decision,
to see the possibilities for progress by our vision,
We are committed to induce common satisfaction,
by translating dreams and ideals into action,
We are committed to foster human rights movement,
to stimulate global human opportunities improvement,
We are committed to see the reality as an ocean of diversity,
at all levels to create bridges of understanding and unity,
We are committed to be missionaries of the world peace,
for the human development new hopes to release,
We are committed to search for the best solution,
to negotiate and tend to find conflict-resolution,
We are committed to strengthen the human relations,
to go beyond the boundaries of limitations,
We are committed to see the world as a global village,
each problem to recognize only as a challenge,
We are committed to brake the bureaucratic barriers,

by public work and devotion to ennoble our careers,
We are committed to prevent corruption and crime,
always when necessary to shift the paradigm,
We are committed for our teachers to respect,
positive values within the people to protect,
We are committed to live like sisters and brothers,
to maintain contacts, support and love each others,
We are committed in our struggles to be resistant,
our diplomas were signed by the USA president,
We are committed the new world shaping to begin,
