

## DEPARTMENT OF MAXILLOFACIAL SURGERY

### MEDICAL STUDIES IN ENGLISH (2024/2025)

**Head of the Department:** assist. prof. Slaven Lupi-Ferandin, MD, PhD

E-mail: [slupi@mefst.hr](mailto:slupi@mefst.hr)

**Secretary of the Department:** Dinko Martinović, MD, PhD

E-mail: [dmartinovic@kbsplit.hr](mailto:dmartinovic@kbsplit.hr)

#### Teachers and associates:

prof. Naranda Aljinović, MD, PhD

Saša Ercegović, MD

Ante Mihovilović, MD, PhD

Ema Puizina, MD, PhD

Andrija Radoš, MD

Ante Pojatina, MD

Sanja Kadić, MD

Mislav Ušljebrka, MD

#### Exam:

The exam is held in written form and consists of 40 questions with multiple-choice answers (only one is correct). The time allowed for solving the exam is 40 minutes, and the score thresholds are:

0-23 – **insufficient (1)**

24-27 – **sufficient (2)**

28-31 – **good (3)**

32-35 – **very good (4)**

36-40 – **excellent (5)**

Inspection of the solved exam and rejection of the grade is possible within 3 days of the exam, and for the same it is necessary to contact the head or secretary via e-mail ([slupi@mefst.hr](mailto:slupi@mefst.hr); [dmartinovic@kbsplit.hr](mailto:dmartinovic@kbsplit.hr)).

**Mandatory literature:**

Ivica Lukšić and colleagues: Maxillofacial Surgery, Naklada Ljevak, 2023.

**Absence from class:**

It is allowed to miss **20%** of classes (6 hours) without justification or passing a colloquium. However, absences from **20% to 50%** of classes must be justified (with medical or other documentation) and a colloquium needs to be passed before the exam. Please contact the head or secretary of the department via e-mail to arrange a time for the colloquium ([slupi@mefst.hr](mailto:slupi@mefst.hr); [dmartinovic@kbsplit.hr](mailto:dmartinovic@kbsplit.hr)).

Students who miss more than **50%** of classes will not be able to take the exam in this academic year and will have to take the course again next year.

**Important remark:**

Attached to the pages of the Department of Maxillofacial Surgery is a **record list** that must be printed before the start of the course. Please have it with you when attending all classes, as it will be signed and stamped by the teacher. The record list must be submitted to the head of the department after the last class on the day before the exam. If it is not submitted then, the student will not be able to take the exam.

LECTURES	SEMINARS
L1 – Introduction to maxillofacial surgery and basic diagnostics	S1 – Injuries to face, jaw and mouth
L2 – Jaw and face deformities	S2 – Lower jaw fractures
L3 – Cleft lip and palate	S3 – Middle facial fractures and craniofacial fractures
L4 – Syndromic manifestations in the jaw and face area	S4 – Salivary gland diseases
L5 – Reconstructive procedures in posttraumatic deformities	S5 – Salivary gland tumors
L6 – Temporomandibular joint	S6 – Intraoral carcinomas
L7 – Basics of dental medicine	S7 – Lip tumors
L8 – Odontogenic and non-odontogenic jaw cysts	S8 – Skin tumors
L9 – Odontogenic tumors and bone diseases of the jaw	S9 – Tumors of the paranasal sinuses
L10 – Odontogenic and non-odontogenic inflammations in the head and neck area	S10 – Reconstruction methods in the jaw and face area
