

Unit 24: Topographic anatomy of head and neck: **Revision of cranial nerves and vessels**

Guide for the practical class using Anatomedia online

Revision of cranial nerves

1. Go to An@tomedica, **head** module-systems-frames: **58-67** (Cranial nerves & special senses)

-Click on underlined text to see answers to specific questions about paths and branches of each individual cranial nerve

-Activate 'can you identify' to see intra- and extra-cranial components of each individual cranial nerve

2. Go to An@tomedica, **head** module-systems-frames: **68-71** (Vessels of the head)

-Click on underlined text to see answers to specific questions about paths and branches of each individual artery and vein in head/neck regions

-Activate 'can you identify' to see branches/tributaries of each individual cranial vessel
