

**Prof. dr. sc. Ana Marušić, dr. med.**

*ana.marusic@mefst.hr*

Ana Marušić diplomirala je na Medicinskom fakultetu Sveučilišta u Zagrebu 1995. godine, gdje i magistrirala 1987. i doktorirala 1989. godine. Redovita profesorica anatomije u trajnom zvanju. Autorica je udžbenika iz anatomije, te urednica prijevoda nekoliko anatomskih atlasa. Radila je na istraživanjima odnosa kosti i koštane srži u zdravlju i bolesti, te na razvoju koštanog sustava u čovjeka. Usavršavala se u nekoliko svjetskih laboratorija, uključujući Max Planck Institute for Immunobiology u Tübingenu, Njemačka; Nuffield Orthopaedic Centre, Oxford, Velika Britanija, Connecticut Health Center, Farmington, Connecticut, USA i Fakultet za tehnologiju Sveučilišta u Bielefeldu, Njemačka. Bila je organizatorica serije EMBO tečaja o anatomiji embriologiji laboratorijskog miša.

Prof. Marušić je pročelnica Katedre za istraživanja u biomedicini i zdravstvu. Od 2012. godine počasna je profesorica na Sveučilištu u Edinburgu, Velika Britanija. Prof. Marušić je glavna urednica časopisa *Journal of Global Health*. Bila je predsjednica međunarodnih udruga World Association of Medical Editors (WAME) i Council of Science Editors (CSE), te članica skupine International Committee of Medical Journal Editors (ICMJE). Predsjednica je udruge European Association of Science Editors. Jedan je od osnivača je Hrvatskog ogranka Cochrane kolaboracije i tvorac hrvatskog registra kliničkih ispitivanja (RegPok.hr). Bila je članica radne skupine Svjetske zdravstvene organizacije, Guidelines Review Committee. Članica je Upravljačkog odbora organizacije EQUATORNetwork, međunarodne inicijative koja se bavi promicanjem transparentnog i točnog izvješćivanja o istraživanjima u zdravstvu.

**Prof. Ana Marušić, MD, PhD**

*ana.marusic@mefst.hr*

Ana Marušić obtained her MD degree at the University of Zagreb School of Medicine in 1985, where she also obtained her Master of Science degree (1987) and her doctoral degree (1989). She is full professor of anatomy and author of anatomy textbook, as well as the editor of translations of several anatomical atlases. Her research in this field includes the relationship between the bone and bone marrow in health and disease, as well as the development of skeletal system in humans. She worked in several research laboratories in the world, including the Max Planck Institute for Immunobiology in Tübingen, Germany; Nuffield Orthopaedic Centre, Oxford, UK; Connecticut Health Center, Farmington, Connecticut, USA; and University of Bielefeld Faculty of Technology, Germany.

Prof. Marušić je is the Chair of the Department of Research in Biomedicine and Health. Since 2012, she is Honorary Professor of the Edinburgh University, Edinburgh, Scotland, UK  
Prof. Marušić is now the Founder and Co-editor in Chief of the *Journal of Global Health*.  
Prof. Marušić is the Past President of the World Association of Medical Editors and Council of Science Editors. She is currently the President of the European Association of Science Editors. Prof. Marušić is the founder of the Cochrane Croatia and creator of the Croatian public registry of clinical trials and is the Co-Chair of the Cochrane Scientific Committee. She is on the Steering Group of the EQUATORNetwork, an international initiative for promoting transparent and accurate reporting of health research.
