*Personal data will be collected for the purpose of keeping records of users according to the Act on Libraries and Library Activities, providing library, information and other services in accordance with the Act on Libraries and Library Activities and more specifically defined in the Rulebook on Library Operations, protecting library funds, informing users about library services and events, user satisfaction assessments, and statistics. Personal data will be handled in accordance with the relevant legal regulations with the application of appropriate technical and security measures to protect personal data from unauthorised access, misuse, disclosure, loss, or destruction. The Central Medical Library, as the processing manager, preserves the confidentiality of personal data and provides access and communication of personal data only to those of its employees who need it for the implementation of their business activities, and to third parties only in cases expressly prescribed by law. The user can request access, correction, deletion, and restriction of processing of personal data related to him from the controller. Users also have the right to portability of personal data and can object to processing of personal data. Personal data is kept as long as there is a legitimate interest in it. An objection to the processing of personal data can be submitted by email: [dpo@mefst.hr](mailto:dpo@mefst.hr).*

I give consent (permission) to the Central Medical Library for the collection and processing of personal data.

I agree to comply with the provisions of the Rulebook on the work of the Central Medical Library available in paper form in the Library's premises or on the Library's website.
