MEDICAL STUDIES IN ENGLISH

Integrated undergraduate and graduate university program

The University of Split is a young and vibrant university on the Croatian Adriatic coast, with increasing visibility in the global research and academic community. **The city of Split** is situated in the heart of Dalmatia, with a pleasant Mediterranean climate and rich history and culture.

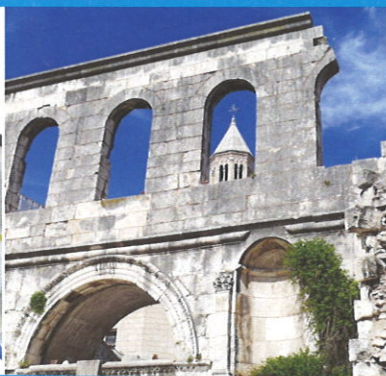

The University of Split School of Medicine (USSM) boasts excellence in teaching and research, culture of innovation and interdisciplinary approach. It is a young and dynamic School, but with experienced and motivated scientific and teaching staff.

Medical studies in English program at the USSM provides teaching in small groups in new and modern

classrooms close to its teaching hospitals. It was established in **2011** and is open to foreign citizens and Croatian citizens living abroad. Candidates who completed secondary school education and passed their final exams are eligible to apply. USSM students are eligible to take the U.S. (USMLE) and Canadian (MCC) medical licensing exams.

The duration of the program is **6 years (366 ECTS credits)** and is governed by the Bologna process. It enrolls **70 students annually**. At the end of the program, students get the academic title of **Doctor of Medicine (MD)** and the diploma which is EU recognized.

*Come to Split to get connected with the global academic community.
Work with us in providing excellence in medical care for global needs.*
