Subject: Opinion on compatibility of the study programme with the provisions of the Directive 2005/36/EC and 2013/55/EU of the European Parliament and of the Council

On 28 November 2014, the University of Split School of Medicine requested from its Ministry to evaluate the compliance of its study programme with the Directive 2005/36/EC and 2013/55/EU of the European Parliament and of the Council, as well as with the Act on Regulated Professions and Recognition of Foreign Professional Qualifications ('Official Gazette' No. 124/09 and 45/11), and submitted for evaluation the programme of the integrated undergraduate and graduate medical studies and the programme of the integrated undergraduate and graduate medical studies in English language.

After the thematic evaluation of the health-related study programmes was conducted by the Agency for Science and Higher Education in the period from 24 September to 18 December 2012, and insight into the expert reviews of the study programme, the Ministry of Science, Education and Sports has established that the study programmes of the integrated undergraduate and graduate medical studies and the integrated undergraduate and graduate medical studies in English language are in compliance with the provisions of Article 24 of the Directive 2005/36/EC and 2013/55/EU of the European Parliament and of the Council of 7 September 2005 on the recognition of professional qualifications, and thus in the part that defines the required period of education and the minimum competencies to be acquired by completing the programme.

Pursuant to Article 19, paragraph 2, of the Regulation on the content of a licence and conditions for issuing a Licence for performing higher education activity, carrying out a study programme and re-accreditation of higher education institutions (Official Gazette No. 24/10), the Ministry of Science, Education and Sports is of the opinion that the integrated undergraduate and graduate programme of medical studies and integrated undergraduate and graduate programme of medical studies in English language of the University of Split School of Medicine is in conformity with the provisions of the Directive 2005/36/EC and 2013/55/EU of the European Parliament and of the Council and the Act on Regulated Professions and Recognition of Foreign Professional Qualifications.

The University of Split School of Medicine shall provide the necessary conditions for performing the integrated undergraduate and graduate programme of medical studies and

the integrated undergraduate and graduate programme of medical studies in English language, and conduct appropriate quality assurance procedures in accordance with the provisions of the Act on quality assurance in science and higher education (Official Gazette No. 45/09) and the Regulation on the content of a Licence and conditions for issuing a Licence for performing higher education activity, carrying out a study programme and re-accreditation of higher education institutions.

With respect,
