WORK EXPERIENCE

- Dates (from – to) 10/1999 - 06/2007
  - Name and address of employer University of Split School of Medicine, Soltanska 2, 21 000 Split
  - Type of business or sector Department of Pharmacology
  - Occupation or position held Assistant
  - Main activities and responsibilities Experimental research in the field of oxidative stress and cardiovascular pharmacology.
  
- Dates (from – to) 06/2007 - 06/2011
  - Name and address of employer University of Split School of Medicine, Soltanska 2, 21 000 Split
  - Type of business or sector Department of Pharmacology
  - Occupation or position held Assistant Professor
  - Main activities and responsibilities Experimental research in the field of oxidative stress. Pharmacology and Pharmacokinetics teaching lectures for students in the biomedicine field.
  
- Dates (from – to) 06/2011 - 10/2016
  - Name and address of employer University of Split School of Medicine, Soltanska 2, 21 000 Split
  - Type of business or sector Department of Pharmacology
  - Occupation or position held Associate Professor
  - Main activities and responsibilities Experimental research in the field of oxidative stress, pharmacology and pharmacotherapy. Pharmacology and Pharmacokinetics teaching lectures for students in the biomedicine field.
  
- Dates (from – to) 010/2016 - today
  - Name and address of employer University of Split School of Medicine, Soltanska 2, 21 000 Split
  - Type of business or sector Department of Pharmacology
  - Occupation or position held Full Professor
  - Main activities and responsibilities Experimental research in the field of oxidative stress, pharmacology and pharmacotherapy. Pharmacology and Pharmacokinetics teaching lectures for students in the biomedicine field
  
- Dates (from – to) 010/2012 - today
  - Name and address of employer University of Split School of Medicine, Soltanska 2, 21 000 Split
  - Type of business or sector Study of Pharmacy
  - Occupation or position held Vice-Dean for the Study of Pharmacy
  - Main activities and responsibilities Head of the Study of Pharmacy.

EDUCATION AND TRAINING

- Dates (from – to) September 2009
  - Name and type of organization providing education and training Institute of pharmacology, Hannover Medical Faculty, Hannover, Germany
  - Principal subjects/occupational skills covered GC/MS method for detection of nitrite, main mediator of nitrite oxide, in blood and plasma

- Title of qualification awarded
- Level in national classification (if appropriate)
- Dates (from – to)
- Name and type of organization providing education and training
- Principal subjects/occupational skills covered
- Title of qualification awarded
- Level in national classification (if appropriate)
- Dates (from – to)
- Name and type of organization providing education and training
- Principal subjects/occupational skills covered
- Title of qualification awarded
- Level in national classification (if appropriate)

- Principal subjects/occupational skills covered
- Title of qualification awarded
- Level in national classification (if appropriate)

Postdoctoral training

June 2007

Institute Rudjer Boskovic, Scientific institute, Zagreb, Croatia

Oxidative stress, methods of detection

Postdoctoral training

20<sup>th</sup> October 2006

University of Split School of Medicine

Pharmacology

Ph.D.

Doctoral thesis

17<sup>th</sup> March 2003

University of Split School of Medicine

Pharmacology

M. Sc.

Master thesis

March 2002

University of Ljubljana School of Medicine, Ljubljana, Slovenia

Cardiovascular pharmacology, experimental models.

Post graduation training

September 1999

University of Zagreb School of Medicine

Medicine

Doctor of Medicine

Graduate

PERSONAL SKILLS

 Common European Framework of Reference for Languages

**Organisational / managerial skills**

Head of the Study of Pharmacy, University of Split School of Medicine, 2009 - today  
 Vice-Dean for the Study of Pharmacy, University of Split School of Medicine, 2012 - today.  
 Head of the Department of Pharmacy, toxicology, and pharmacogenetics, 2018 – 2023  
 Head of the Cathedra of Pharmacy, 2013 - 2020

**Job-related skills**

UV-VIS spectrophotometric techniques  
 HPLC techniques  
 Organizing and conducting experiments on healthy human subjects  
 Measuring skin parameters by Courage+Khazaka instruments  
 Measuring arterial stiffness by different instruments  
 Reviewing scientific and professional manuscripts for several scientific journals  
 Reviewing regulatory documentation for registration of medicinal products (for HALMED)

**Driving licence**

Yes, "B" category

**ADDITIONAL INFORMATION**

Presentations (international)

1. „Number and proportion of phase III drug trials for infections 2016-2021“. 19th World Congress of Basic & Clinical Pharmacology, Glasgow, UK, 2 – 7 July 2023.
2. „Standardization of professional traineeship at the Study of pharmacy in Split“. 6th Croatian Congress on Pharmacy with international participation. Dubrovnik, Croatia. 4-7 April 2019.
3. „Education and practice – how to close the gap?“ 5th Croatian Congress on Pharmacy with international participation. Rovinj, Croatia. 21-24 May 2015.
4. „Oxygen - medication with side effects.“ Humboldt-Kolleg Belgrad 2013 Resources of Danubian Region: The Possibility of Cooperation and Utilization. Belgrad, Serbia. 12-15 June 2013.
5. „Plasma nitrite concentrations decrease after hyperoxia-induced oxidative stress in healthy humans.“ 18th Scientific Symposium of the Austrian Pharmacological Society (APHAR). Joint meeting with the Croatian, Serbian and Slovenian Pharmacological Societies. Graz, Austria. 20-21 September 2012.

Projects

2021-2024. Head of part of the international ERASMUS CBHE project "Innovating quality assessment tools for pharmacy studies in Bosnia and Herzegovina (IQPharm)". European Union, Erasmus+ Program.

Conferences

2019 - 2023. Head of part of the project "Digitalization and improvement of nutritional care for patients with chronic diseases", Operational Program Competitiveness and Cohesion 2014-2020. (contract number KK.01.1.1.04.0115).

2019 – 2022. Head of part of the international ESF project "Application of HKO in the improvement of study programs in the field of pharmacy and medical biochemistry (PharmMedQ)", invitation Implementation of HKO at the level of higher education (Contract number: UP.03.1.1.03.0021 ).

2018 - 2019. Head of part of the international ESF project "Internationalization of study programs of all levels at the Faculty of Medicine in Split", invitation Internationalization of higher education (Contract number: UP.03.1.1.02.0035).

2018. Head of the science popularization project "Let's look at ultraviolet" of the Ministry of Health, Republic of Croatia.

2017 - 2018. Project manager "Research into the clinical effectiveness of topical preparations of "sea oil", program Technological development, research and application of innovations of the Split-Dalmatia County (Contract number: 201700157267).

2016 - 2017. Project manager "Development of pharmaceutical formulations based on "sea oil" for topical application on the skin", Program Technological development, research and application of innovations of Split-Dalmatia County (Contract number: 201600115185).

Honours and awards

2021 Award from the University of Split School of Medicine for the best article published in the field of pharmacy in the academic year 2019/2020.

2016. Certificate of Gratitude from the University of Split School of Medicine Split for the successful management of the Study of Pharmacy in Split, on the occasion of the promotion of the 1st generation of Masters in Pharmacy.

2007 Award from the University of Split School of Medicine to the first author of the best scientific article published in the academic year 2005/06.

**Memberships**

Member of the Croatian Pharmacological Society  
Member of the European Pharmacological Societies (EPHAR)  
Member of British Pharmacological Societies (BPS)  
Member of the American Society for Pharmacology and Experimental Therapeutics (ASPET)  
Member of the Croatian Pharmaceutical Society
