SAVE THE DATE: MedILS Summer School in Science Communication, 18 – 22 July 2022, Split, Croatia

Dear Madam or Sir,

We would like to draw your attention to the international workshop entitled **MedILS Summer School in Science Communication** that will be held at the beautiful Mediterranean Institute for Life Sciences (MedILS) in Split, Croatia from **July 18th to July 22nd, 2022**.

The aim of this School is to bring together an interdisciplinary community of participants enthusiastic about science and who wants to improve their career through clear, engaging, and impactful communication. Main topics of this School will include: Media training or how to effectively communicate your message while keeping the media happy, Communication and presentation skills within scientific community, Importance of communicating science in a broader context while reflecting on yourself and the whole society. Our experts will guide and train the participants through reflective, mindful, and active communication exercises.

We are happy to announce that **Quentin Cooper**, one of the most familiar and popular UK voices of science & technology, will be one of our trainers! He is a hugely experienced host, trainer and lecturer in communication and journalism who has worked in over 60 countries running a huge range of workshops, conferences, broadcasts and other events. He is described by The Times as both “the world’s most enthusiastic man” and “an expert on everything from pop music to astrophysics”. So don’t miss this opportunity, join us and improve your career with science communication – an important transferable skill for researchers!

We will welcome **20 – 30 young researchers** (master students, PhD students, postdocs), but experienced researchers are also welcome!

Please find attached the “Save the date” flyer. For more detailed information please see the following link <https://scicom.medils.hr/>. Further information will be up-dated continuously.

Please remember that the **registration deadline** is **13 June 2022**.

We would highly appreciate if you would support us by **passing on the information of our School** to interested colleagues and young researchers and encourage them to attend the workshop. Thank you!

Our contact person is Mrs Irena Rajic (irena.rajic@medils.hr). Please do not hesitate to contact her if you have any questions related to the organisation of the School.

Save the dates and looking very much forward to welcoming you in Split to this exciting workshop in July 2022!

Sincerely,

Andrea Gelemanović, PhD

Organizer on behalf of MedILS

Postdoctoral researcher
